ENGROSSED SUBSTITUTE SENATE BILL 6347

Passed Legislature - 2002 Regular Session

State of Washington 57th Legislature

2002 Regular Session

By Senate Committee on Transportation (originally sponsored by Senators Haugen and Keiser; by request of Governor Locke)

READ FIRST TIME 03/12/2002.

1 AN ACT Relating to transportation funding and appropriations;
2 adding a new section to chapter 47.05 RCW; adding a new section to
3 chapter 47.08 RCW; creating new sections; making appropriations;
4 authorizing expenditures for capital improvements; and declaring an
5 emergency.

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

7 **TRANSPORTATION INVESTMENT**

8 NEW SECTION. **Sec. 1.** (1) The legislature recognizes that a good
9 transportation system is critical in keeping Washington state's economy
10 strong and its businesses competitive. The legislature further
11 recognizes that badly needed investments in our state's transportation
12 infrastructure will create jobs and help to ensure Washington's long-
13 term economic success.

14 (2) The transportation investment act of 2002 is hereby adopted
15 and, subject to the provisions set forth in this act, the several
16 amounts hereinafter specified, or as much thereof as may be necessary
17 to accomplish the purposes designated, are hereby appropriated from the
18 several accounts and funds hereinafter named to the designated state

1 agencies and offices for employee compensation and other expenses, for
2 capital projects, and for other specified purposes, including the
3 payment of any final judgments arising out of such activities, for the
4 period ending June 30, 2003.

5 (3) Unless the context clearly requires otherwise, the definitions
6 in this subsection apply throughout the act.

7 (a) "Fiscal year 2002" or "FY 2002" means the fiscal year ending
8 June 30, 2002.

9 (b) "Fiscal year 2003" or "FY 2003" means the fiscal year ending
10 June 30, 2003.

11 (c) "FTE" means full-time equivalent.

12 (d) "Lapse" or "revert" means the amount shall return to an
13 unappropriated status.

14 (e) "Provided solely" means the specified amount may be spent only
15 for the specified purpose.

16 **OPERATING--GENERAL GOVERNMENT AGENCIES**

17 NEW SECTION. **Sec. 101. FOR THE DEPARTMENT OF REVENUE**

18 Multimodal Transportation Account--State

19 Appropriation \$ 100,000

20 **OPERATING--TRANSPORTATION AGENCIES**

21 NEW SECTION. **Sec. 201. REGIONAL TRANSPORTATION PLANNING.**

22 \$3,000,000 of the motor vehicle fund--state is appropriated to the
23 department of transportation and is provided solely for the expenses
24 associated with the regional transportation investment district
25 planning committee responsibilities established in Engrossed Second
26 Substitute Senate Bill No. 6140.

27 NEW SECTION. **Sec. 202. TRANSPORTATION EFFICIENCIES.** \$1,225,100

28 of the motor vehicle fund--state is appropriated to the department of
29 transportation and provided solely for the department to implement the
30 state's responsibilities as outlined in chapter 5, Laws of 2002.

31 NEW SECTION. **Sec. 203. FOR THE DEPARTMENT OF TRANSPORTATION--**

16	Motor Vehicle Account--State	\$	37,000,000
17	TOTAL	\$	819,800,000

18 The appropriations provided in this section are provided solely for
19 the following purposes and are subject to the following conditions and
20 limitations:

21 (1) The department shall work cooperatively with the agency council
22 on coordinated transportation and the Washington state transit
23 association to establish grant application procedures and selection
24 criteria for paratransit and rural mobility projects.

25 (2) The motor vehicle account--state appropriation in this section
26 is provided solely for park and ride expansion.

27 (3) Transit funds in this section shall be distributed to transit
28 systems as follows:

29 (a) 50% of funds shall be distributed based on service area
30 population to C-Tran, Community Transit, Everett Transit, King County
31 Metro Transit, Pierce Transit, and Spokane Transit Authority;

32 (b) 30% of funds shall be distributed based on service area
33 population to: Ben Franklin Transit, Cowlitz Transit Authority,
34 Intercity Transit, Kitsap Transit, Whatcom Transportation Authority,
35 and Yakima Transit; and

36 (c) 20% of funds shall be distributed based on service area
37 population to: Clallam Transit System, Garfield County, Grant Transit

1 Authority, Grays Harbor Transportation Authority, Island Transit,
2 Jefferson Transit Authority, Link Transit, Mason County Transportation
3 Authority, Pacific Transit, Pullman Transit, Skagit Transit, Twin
4 Transit, and Valley Transit.

5 (4) Commute trip reduction funds shall be allocated as follows:
6 \$4,000,000 shall be distributed to local governments in the form of
7 grants; \$2,000,000 shall be distributed as grants to public agencies,
8 nonprofit organizations, developers, and property managers and as tax
9 credits to employers' business and occupation tax, as provided in
10 Senate Bill No. 6008. If Senate Bill No. 6008 is not enacted by the
11 legislature by January 1, 2003, the \$2,000,000 shall be distributed to
12 local governments in the form of grants.

13 (5) In a county with a population over one hundred fifty thousand
14 where a public transportation benefit area and a city both operate a
15 public transportation system, funds may not be released until the
16 transit systems develop an interlocal agreement to serve paratransit
17 and special needs transit.

18 (6) The department shall consider the following factors when making
19 decisions regarding the appropriations provided for park and ride lots
20 in this section: Park and ride lots shall be distributed across the
21 state, including islands, to meet multiple service needs and shall be
22 used for multimodal purposes, including ferries and rail.

23 (7) The department shall use up to \$500,000 of this appropriation
24 to clear, expand, grade, and surface parking lots in the San Juan
25 Islands as follows: The parking lot on Lopez Island; Lot C at Friday
26 Harbor; and the parking lot on Orcas Island.

27 (8) The department shall use up to \$1,500,000 of this
28 appropriation, in cooperation with Island County, to develop park and
29 ride facilities on Whidbey Island.

NEW SECTION. Sec. 703. FOR THE STATE TREASURER--STATE REVENUES FOR DISTRIBUTION

Motor Vehicle Account--State Appropriation		
for revenue distribution to the cities	\$	5,843,000
Motor Vehicle Account--State Appropriation		
for distribution to the counties	\$	5,843,000
TOTAL	\$	11,686,000

The distributions in this section are subject to the following conditions and limitations and specified amounts are provided solely for that activity:

(1) The motor vehicle account--state appropriation to cities is to be distributed consistent with RCW 46.68.110 (4) and (5). Deductions shall not be made for supervision, studies, or the city hardship assistance program.

(2) The distribution to counties shall be distributed in a manner consistent with RCW 46.68.122. Deductions shall not be made for supervision, studies, or the city hardship assistance program.

(3) The amounts provided in this section may not be used to supplant any existing local government funding for transportation projects or programs. Any local government in violation of this requirement shall immediately forfeit its eligibility for future distributions provided under this section.

NEW SECTION. Sec. 704. FOR THE STATE TREASURER--TRANSFERS

Motor Vehicle Account--State Appropriation

for transfer to the freight mobility

account \$ 8,400,000

MISCELLANEOUS

NEW SECTION. Sec. 801. (1) Agencies shall expedite the expenditure of appropriations in order to: (a) Make transportation improvements and rehabilitate transportation infrastructure resources; (b) accelerate transportation related environmental rehabilitation and restoration projects for the improvement of the state's natural environment; (c) reduce additional costs associated with acquisition and construction inflationary pressures; and (d) provide additional employment opportunities associated with transportation capital expenditures.

(2) In order to meet the goals of this section, to the extent feasible, agencies are directed to accelerate expenditures and may use contracted design and construction services wherever necessary to meet the goals of this section.

NEW SECTION. Sec. 802. To the extent practicable, all state, county, city, local, or municipal projects paid for in whole or in part with funds appropriated in this act shall consider pavement life-cycle costs in determining pavement types.

NEW SECTION. Sec. 803. The amounts shown under the headings "Prior Biennia," "Future Biennia," and "Total" in this act are for informational purposes only and do not constitute legislative approval of these amounts. The amounts shown under the heading "Future Biennia"

1 are advisory only and reflect the current best available estimates of
2 project costs and may include but are not limited to the following
3 funding sources: State, local, regional, federal, or private funds.

4 NEW SECTION. **Sec. 804.** The governor, through the office of
5 financial management, may authorize a transfer of appropriation
6 authority provided for a capital project that is in excess of the
7 amount required for the completion of such project to another capital
8 project for which the appropriation is insufficient. No such transfer
9 may be used to expand or limit the scope of the project beyond that
10 intended by the legislature in making the appropriation. Such
11 transfers may be effected only between capital appropriations to a
12 specific department or agency and only between capital projects that
13 are funded from the same fund or account. No transfers may occur
14 between projects to local government agencies except where the grants
15 are provided within a single omnibus appropriation and where such
16 transfers are specifically authorized by the implementing statutes
17 which govern the grants.

18 For purposes of this section, the governor may find that an amount
19 is in excess of the amount required for the completion of a project
20 only if: (1) The project defined in the notes to the budget document
21 is substantially complete and there are funds remaining; (2) bids have
22 been let on a project and it appears to a substantial certainty that
23 the project as defined in the notes to the budget document can be
24 completed within the biennium for less than the amount appropriated in
25 this act; or (3) the secretary of transportation determines that the
26 allocation for the preconstruction phase of the project is in excess of
27 the amount necessary to reach the construction or request for proposal
28 phase.

29 For the purposes of this section, the legislature intends that each
30 project be defined as proposed to the legislature in the governor's
31 budget document, unless it clearly appears from the legislative history
32 that the legislature intended to define the scope of a project in a
33 different way.

34 A report of any transfer effected under this section, except
35 emergency projects or any transfer under \$250,000, shall be filed with
36 the legislative transportation committees of the senate and the house
37 of representatives by the office of financial management at least
38 thirty days before the date the transfer is effected. The office of

1 financial management shall report all emergency or smaller transfers
2 within thirty days from the date of transfer.

3 NEW SECTION. **Sec. 805.** Upon completion of the Vancouver high-
4 occupancy vehicle lanes pilot project that began on October 28, 2001,
5 and concludes October 28, 2002, the department of transportation may
6 only proceed with future high-occupancy vehicle lane projects in
7 counties with a population of 300,000 or more that border the state of
8 Oregon, when vehicle spaces at park and ride lots within the county are
9 two and one-half times the capacity in existence on January 1, 2002, or
10 if the Interstate 5 bridge over the Columbia River is retrofitted to
11 include four southbound general purpose lanes.

12 NEW SECTION. **Sec. 806.** All of the projects for which money is
13 appropriated in sections 301 through 307 of this act are eligible for
14 the permit processes enumerated under chapter 47.06C RCW and developed
15 by the transportation permit efficiency and accountability committee.
16 To the extent practicable, work on these projects shall utilize the
17 processes enumerated under chapter 47.06C RCW and developed by the
18 transportation permit efficiency and accountability committee.

19 NEW SECTION. **Sec. 807.** Unless otherwise specified, the
20 appropriations for highway capacity expansion in sections 301 through
21 307 of this act are provided solely for general purpose highway lanes.

22 NEW SECTION. **Sec. 808.**

23 Motor Vehicle Account--State Appropriation . . . \$ 47,392

24 The appropriation in this section is subject to the following
25 conditions and limitations: The department of agriculture shall make
26 an adhesive label explaining that Washington state gas taxes are for
27 highway purposes only. The label must be in a large, easily readable
28 font and shall read "Washington state gas taxes are used exclusively
29 for highway purposes." The label should be chemical and weather
30 resistant and shall be placed in a conspicuous location at motor fuel
31 retailers as defined in RCW 19.120.010, by December 31, 2002.

32 NEW SECTION. **Sec. 809.** A new section is added to chapter 47.05
33 RCW to read as follows:

1 This chapter does not apply to the 2001-03 transportation budget
2 appropriating new transportation revenue.

3 NEW SECTION. **Sec. 810.** A new section is added to chapter 47.08
4 RCW to read as follows:

5 This chapter does not apply to the 2001-03 transportation budget
6 appropriating new transportation revenue.

7 NEW SECTION. **Sec. 811.** If any provision of this act or its
8 application to any person or circumstance is held invalid, the
9 remainder of the act or the application of the provision to other
10 persons or circumstances is not affected.

11 NEW SECTION. **Sec. 812.** This act is necessary for the immediate
12 preservation of the public peace, health, or safety, or support of the
13 state government and its existing public institutions, and takes effect
14 immediately, only if Engrossed Substitute House Bill No. 2969 becomes
15 law.
